EXPLORATORY CASK SERIES

Weighty rye meets Jamaican funk flavor; Funky Drummer is Doc Swinson's blend of two five-year rye whiskeys that have had a long break in some seriously funky Jamaican rum casks (look up dunder pits if you want some fun info!).

These casks are full of the tropical fruit flavors that marry nicely with the heavy rye spice. It took some serious time locked away to get these flavors to play nicely together, but when they did... woah, ain't it funky! Grab a bottle and bring on the juice!

DESCRIPTION

All of us here at Doc Swinson's have an affinity for rum and often find ourselves geeking-out on unique bottles acquired during our travels. That's why it's no secret we like our rum-finished whiskeys so much we decided to make two of them! Alter Ego Solera Method Rye Finished in Rum Casks leans on the brighter citrusy and grassy side of rum, while Funky Drummer is all Jamaican funk, bursting with rich tropical fruits such as pineapples, mangos, crisp fuji apples, and deep coffee, with a Caribbean spice cake and vanilla bomb to round out the end.

It's one of the favorites here at Docs and only produced in limited quantities a few times a year. We hope you get your hands on one (or many) of these bottles because we think you're really going to love it.
