PINEAU DES CHARENTES

STRAIGHT BOURBON WHISKEY FINISHED IN PINEAU DES CHARENTES CASKS

EXPLORATORY CASK SERIES

Pineau des Charentes is a truly unique French aperitif, produced from a blend of fresh grape juice and young cognac, which is then aged in French oak barrels for several years.

We let Doc Swinson's blend of two five-year bourbon whiskeys rest in these barrels for several months, bringing hints of apricot, orange marmalade, and wild flower honey to the already delicious caramel and stone fruit notes of the bourbon.

DESCRIPTION

There's a whole group of spirituous delights out there that rarely make it to the American market let alone outside of the region they are crafted in. Whether these beverages are super rare or not typical for the American pallet we find them to be excellent and want to share some these epic flavors with you.

This Pineau des Charentes finished Straight bourbon whiskey is one of three fortified wine finish releases of summer 2022. A perfect summer sipper as its aromas and taste emphasize wild flower honey and ripe tree fruits wafting in the wind followed by crackerjacks. This limited release produced just a few hundred bottles so if you see it we recommend you grab it as our exploratory casks are one of a kind.
